## FREE ROOF

### Free Service for Your Service

*"Your Roof is Our Reputation"*

CMS ROOFING is in partnership with GAF to support our brave men and women who serve our country and community.

This program provides free roof replacements by apportioning the profits for every paid installation. CMS Roofing's goal is to replace a roof each year and more frequently as the future allows for our service members and first responders. You can help us reach this goal through your referrals.

We are searching for the next Veteran, Military (Retiree, Active or Guard), or First Responder living in or near Columbia, SC, for a free roof replacement.

The GAF Timberline® HDZ™ architectural roof system will be installed in late summer/early fall of 2022 and comes with a 5-year workmanship warranty and GAF's System Plus Warranty.

To be selected, send your **HAND WRITTEN** note and picture postmarked by July 25, 2022, to our corporate office:
